Join the VMLA for our Annual Day on the Hill at the State Capitol February 1st, 2018

If it affects the industry, it affects you! The **VMLA Day on the Hill** is a critical component of our overall advocacy efforts. The Virginia economy depends on mortgage solutions VMLA members provide to Virginia's lawmakers. We need to have face-to-face dialogues with our state representatives so that they better understand the key issues impacting our industry, thus enabling them to make informed legislative decisions to help VMLA members maintain a favorable lending environment.
